

## LOCATION

Steffi's Hostel Heidelberg  
Bergheimer Straße  
69115 Heidelberg

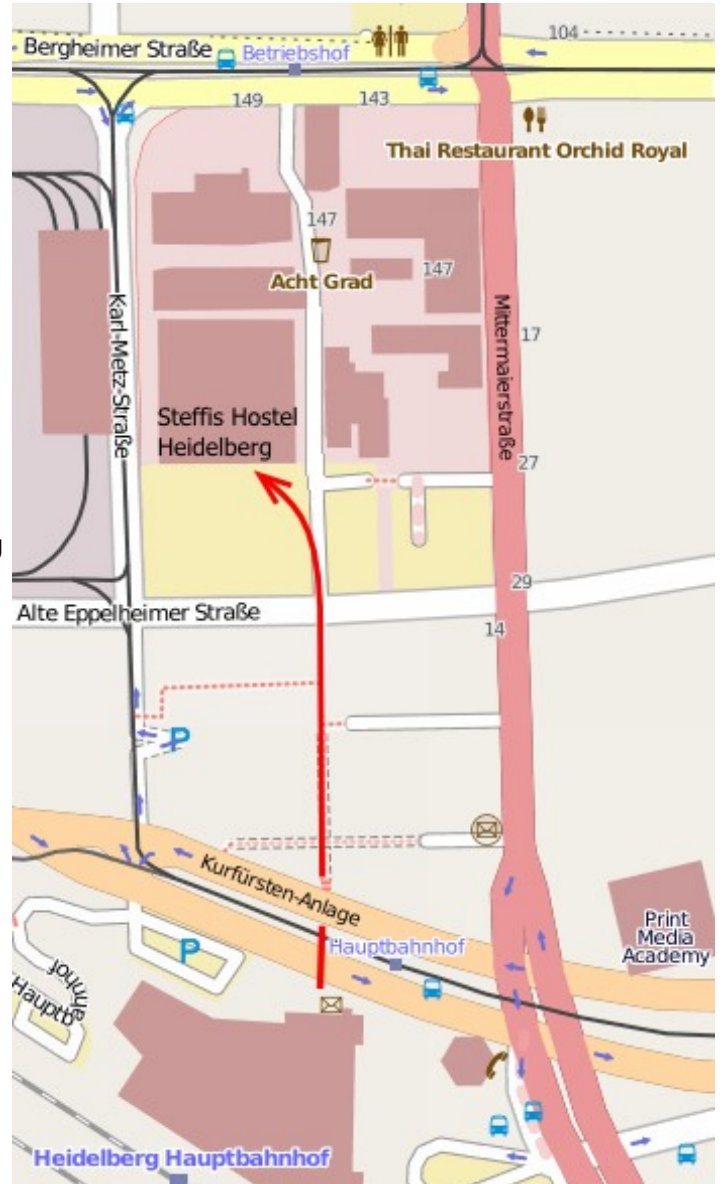

### Arrival by train

Just walk straight out of the station and cross the big street and the tram rails in front of you. On the other side there's a modern building, where you enter a shopping arcade (Kurfürstenpassage – Jack Wolfskin / Backpacker Store). Again you walk straight ahead through the passage and leave it on the opposite side. From the exit you can already see a big brick stone building in front of you. Here on the third floor Steffis Hostel Heidelberg is situated.

### Or by car

You leave the Autobahn A5 at the „Heidelberger Kreuz“ and drive on the A656 in the direction of Heidelberg. After finally leaving the Autobahn you are automatically driving on Bergheimer Straße. You are passing a big crossroads ( Esso station / Europcar to the right). After 200 m you will see a big brickstone building to the right. Turn right at the tram station into a driveway behind a traffic light (there are old cobblestones and a sign saying „Disco Nachtschicht“.) Drive straight onward until you reach a big parking site in front of Supermarket Lidl. We are located above the supermarket on the third floor of the building.

Please note: 24 h parking fee is 6.-Euro.
